

November 23, 2014

In Class:

We went over pages A10-13 in Workbook A for Lesson 3.

Learned vocabulary and the different radicals (parts):

米 mǐ --rice. Does this word look like a rice stalk?

咪 mī --name of cat, or small opening; has "mouth", or "口" next to it.

汪 wāng --a Chinese last name, also means ocean, with "water", or "氵" next to it.

旺 wàng --prosperous, with a "sun", or "日" next to it.

In our group exercises:

We reviewed how to ask for each other's last name:

你(Nǐ) 姓(xìng) 什麼(shén me)? What is your last name?

我(Wǒ) 姓_____. My last name is _____.

We reviewed how to ask for each other's first name:

你(Nǐ) 叫(jiào) 什麼(shén me)? What is your (first) name?

我叫_____. My (first) name is _____.

We practiced more of our Chinese New Year song 我的家(my home).

Homework:

Read rest of Lesson 3 in LM One (pages 22-25).

Do Workbook B (pB10-13) for Lesson 3.

Continue to practice our song 我的家。
